

Instrowest Pty Ltd

CORE VALUES

- **Safety:** Instrowest is safety focused, and aims to achieve zero harm to our client's employees, our own employees and the environment.
- **Good Value:** Provide a good, reliable service for a fair return.
- **Quality:** Always provide equipment and service that is of a high standard and that will stand the test of time.
- **Innovative:** Think "Is there a better way?". Remember there is usually more ways than one to achieve a desired outcome.
- **Ethical:** Be honest, fair, loyal, and professional in all dealings, both internal and external to the company.
- **Understanding:** Ensure we understand the client's position, needs, wants, and constraints.
- **Reputation:** Strive to be known for the above values.
